OUR ALMA MATER

A BEAUTIFUL new wing has been added to our building this year. This houses the Commercial, Agriculture, Industrial Arts, and driver Training classes. The new Cafeteria is also located in the new wing. Some of our classrooms and all the halls have been brightened by a new coat of paint and varnish. We have just cause to be proud of the appearance of our school.

OUR PRINCIPAL

YOU are about to go out into a world full of troublesome and unsettled conditions. A heavy burden of responsibility will rest on your shoulders as future citizens of the nation. I feel sure that you will all do your best to help make the world safe for Democracy. My best wishes go with you.

CARLOTTA M.
GLEASON

Sec'y. 3, 4; Chorus 3, 4; Jr. Play (Song); Librarian 4; Yearbook Staff

Dark-haired, neat as a pin, and always smiling that's Carlotta. By the way, that wasn't Billy Eckstine you just heard, it was "Butch" using her baritone ability

This brunette lass who hails from Nelson will never be forgotten because of her well-known cough. At 4:30 you will usually see her running to the post office looking for a letter from "Ink".

DONNA BELCHER

Cheerleading 2, 3; G. Basketball 2, 3; Volleyball 3.

Although Donna came to us just this year, she has been very helpful with her ability of salesmanship. She is usually found cracking jokes any time of day with Bob W. and "Westy".

LORETTA L.
BELLETTO

Majorette 1,2,3,4; Chorus 1,2; Jr. Play; Sr. Play; Librarian 4; Loudspeaker Co-editor.

No-one will ever forget Loretta's hair as a result of the Junior Play. She can usually be found noons with Pat A. or talking to a lad named "Bill."

LOUIS P. BELLETTO
"Louie"

Here's a guy with black wavy hair that believes that you lose less time if you take long fast steps. One of his outstanding characteristics is that he is never too busy to help a friend. "Louie" expects to be serving in the U. S. Army after graduation.

SALLY JANE
CASEBEER
"Sal"

F. H. A. 2, 3, 4; Parlimentarian 3,4.

Small but mighty is "Casebeer". Her calm even disposition has won her way into all our hearts. Sally is usually found with her pals "Shirl" and Maryhelen. Her interests lie in that certain guy in uniform.

NINA MARIE COLLINS

Nina is the gal "whom Columbus brought over", so the Juniors say. Nina's future is undecided, so she says.

SENIORS

EDWARD ECKMAN

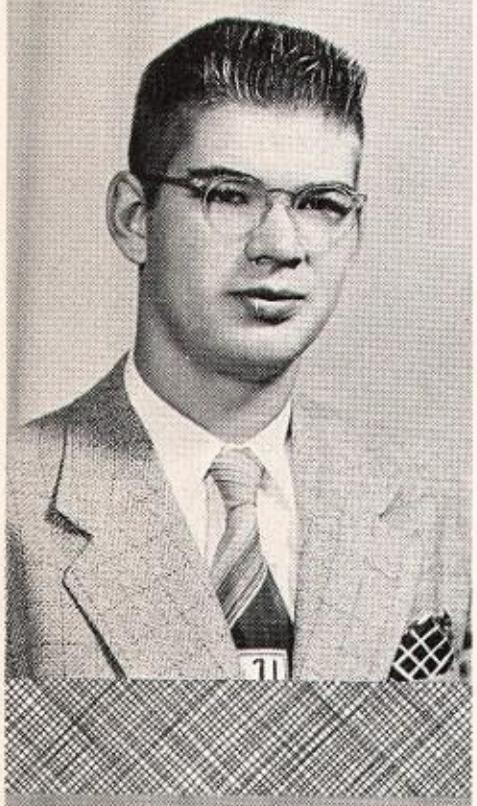
Orch. 1, 2, 3, 4; Band 1, 2, 3, 4; Jr. Play; Sr. Play.

Crash! Bang! There goes Eddie's desk again. Eddie is another Einstein, so the math students say. He occupies the solo seat in the trumpet section also.

JOANN M. FLYNN
"Jo"

V. Pres. 1; Cheerleader 2, 3, 4; Band 1, 2, 3, 4; Jr. Play; Gen. Mgr. Magazine Campaign; Librarian 1, 2, 3; Latin Club 3; Loudspeaker Staff.

"Love 'em, and leave 'em Flynn" that's her motto. Although working in the tannery afternoons, she is a very excellent student and takes part in school activities.



GLENN C. HACKETT
"Gwinnie"

Band 1, 2, 3, 4; Orch. 3, 4; Chorus 3, 4; Co. Band 1.

Need something heavy moved, see Glenn. We often wonder what we would do without him when it comes time for the monthly Roller-Skating Party.

ELAINE L. HALL
"Pickle"

Cheerleader 3, 4; Band 1, 2, 3, 4; V. Pres. 3; Librarian 4; Sr. Play (Promp).

Hear that giggle, that was "Pickle", Russell just walked into the room. Elaine is one of our excellent students, and she's sure to succeed in the future.

RUTH ISABELLE
KENDALL
"Ruthie"

Chorus 1, 2; G. Chorus 4; F. H. A. 4; Sr. Play (Promp); Loudspeaker Staff; Librarian 3, 4.

Who's our willing worker? Why, Ruth naturally. She can be found most every noon hour reading "good books" in the senior room. Ruth hasn't decided yet what her future course will be.

ROBERT W. KIRK
"Bob"

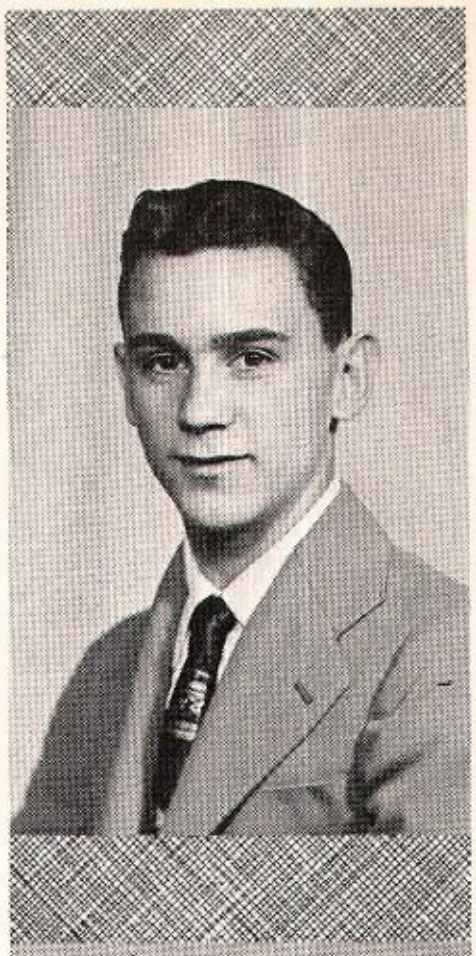
About 8:15 each morning you'll see Bob, pulling in with his Chevrolet. He is one of the rare quiet seniors but does appreciate a good story. Best wishes for your future career.

SENIORS

DONALD C. MANGUS
"Don"

Jr. Play; Sr. Play.

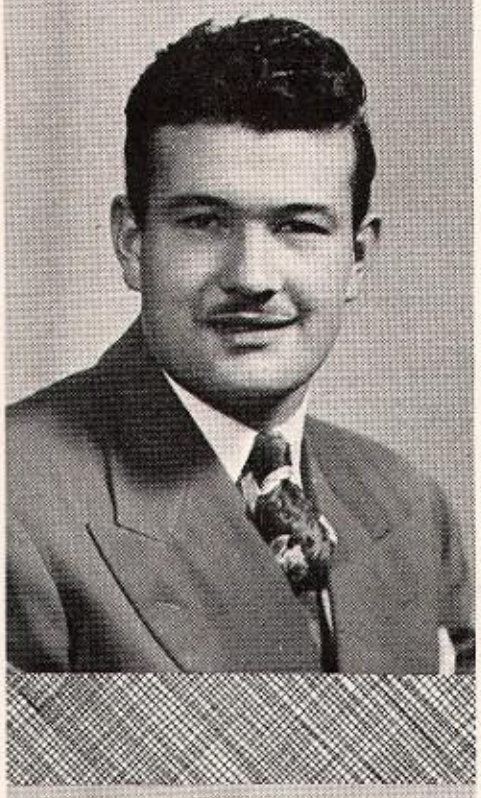
Left us once in the grades but joined us again in our sophomore year. Donnie has always been sort of quiet, except for the one time he was heard and remembered all through the school, the Jr. Play. He has always been around when our class needed him and has helped in many ways dispite the fac he has been only a half a day all year long.



FRANCIS MARLATT
"Frank"

Track 3.

Small but mighty! That's Frankie our ideal senior. He is usually seen at the window selling tickets for any occasion. His sparkling personality has made him well liked by all.



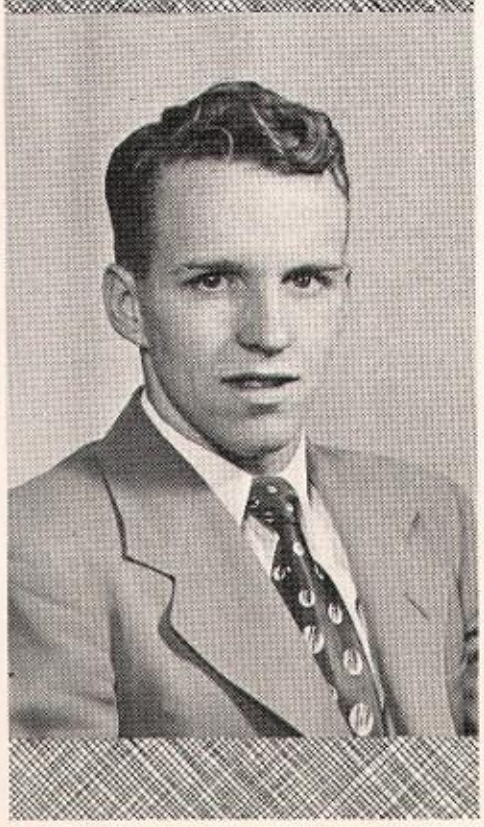
ORLANDO MARZO
"Bugs"

Orlando is the tall dark boy in the Senior class. He is always willing to give someone a lift in his Ford, especially Peg. Orlando is one of the ambitious ones that works afternoons.

WARD G. MILEOUSKI
"Pete"

V. Pres. 2; Soccer 1, 2, 3; Band 1, 2; Orch. 1, 2, 4; Chorus 1, 2, 3, 4; Basketball 1, 2; Co. Band 1; Co. Chorus 3; Jr. Play 3; Track 2.

Although Ward is sometimes sick (?) during hunting season, he is usually one of the earliest to school every morning. Ward is very active in the music department with his clarinet and fine vocal ability.



CHARLES E. MOORE
"Charlie"

Track 2, 3, 4.

Our scientific and mathematical genius. He is intending to go on to school and really do something with the ability he has. Good Luck to you, Charlie. We all hope you make it.

MADELINE JEAN
NAGELI
"Blondie"

Sec'y. 2; Librarian 2; Latin Club 3.

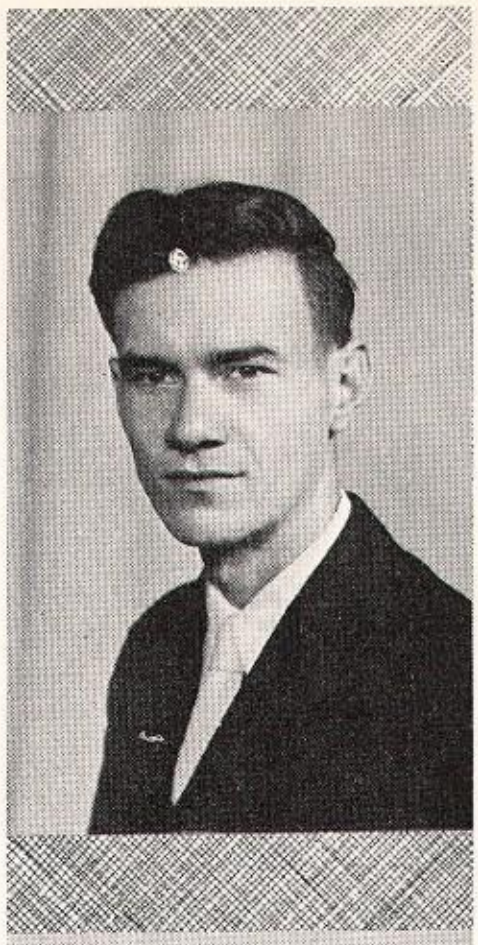
Madeline is a rather quiet and pretty blonde. She is fun-loving and a very good companion. She can usually be seen with Joann and Pat S. And who is this that she is interested in of late?

SENIORS

D. ANNA PERSING
"Anne"

F. H. A. 4; Jr. Prom. Committee; Librarian 3, 4.

Anna came to us in our sophomore year and won our hearts immediately. If you want to know how the latest hillbilly song goes, ask Anna. Her mind drifts toward Academy Corners often.



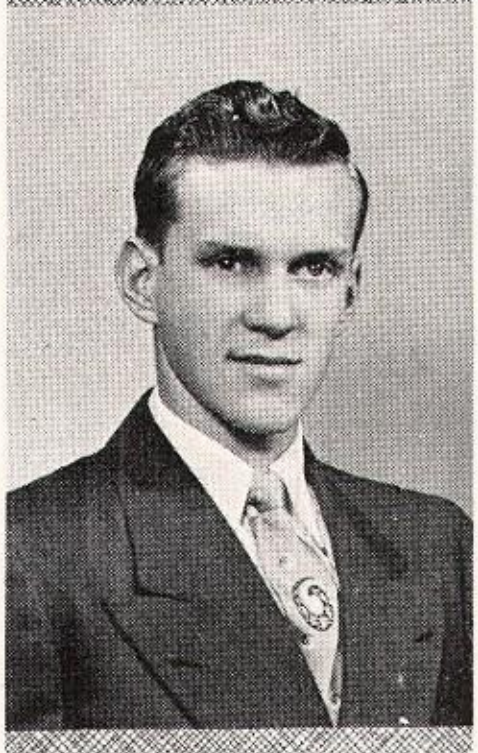
DONALD J. RHOADES
"Dusty"

The tall boy of our class is "Donnie". His favorite past time seems to be picking on the girls during study halls. Understand you're Bookkeeping yet, Donnie?

MARY JOAN RUPAR
"Joanie"

Sec'y. 1; Cheerleader 2, 3, 4; Band 2; Orch. 2; Chorus 1, 2, 3, 4; Jr. Play; Sr. Play; Latin Club; Co. Chorus 3; Librarian 2, 3, 4; Loud-speaker Staff.

We wonder why it is "Joanie" is seen tearing into Room 43 at the zero hour (8:45), but manages to be back for a chat with "Pat" C. at noon. Her latest ambition: a jerk (soda, that is).



DONALD E. RUSSELL
"Don"

Basketball 1, 2, 3, 4; Soccer 2, 3, 4; Track 2, 3, 4; Sr. Play.

Feel that heat? That's just "Donnie" blushing over his own jokes again. Donnie is another of our basket-ball stars, and he is also very active in other sports. Don seems to be spending a lot of his time on the hill studying Physics, Elaine says, but we wonder!

WILLIAM S.
SCHOONOVER
"Schoonie"

Basketball 1, 2, 3, 4; Baseball 1, 2, 3, 4; Sr. Play.

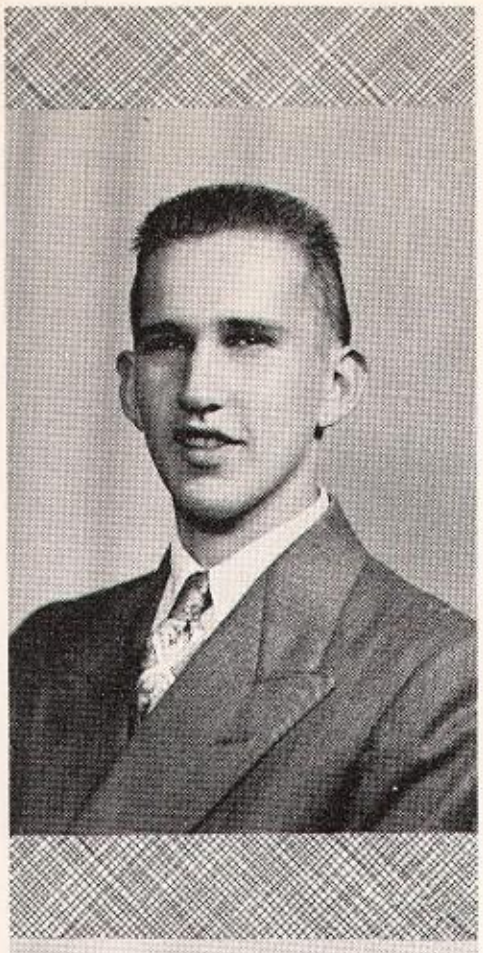
See those dimples! They belong to "Bill". He is another one of our basketball stars. Whenever you want someone to laugh at your jokes or tell a good one, Bill is the boy you want. Smile so we can see those dimples, Bill.

MARGARET SEELY
"Peg"

Chorus 1, 2, 3; Co. Chorus 3; Jr. Play 3; Librarian 2, 3.

"Peg" is a girl who would much rather be outside riding horse-back than in school doing lessons. Her favorite car is a red ford!

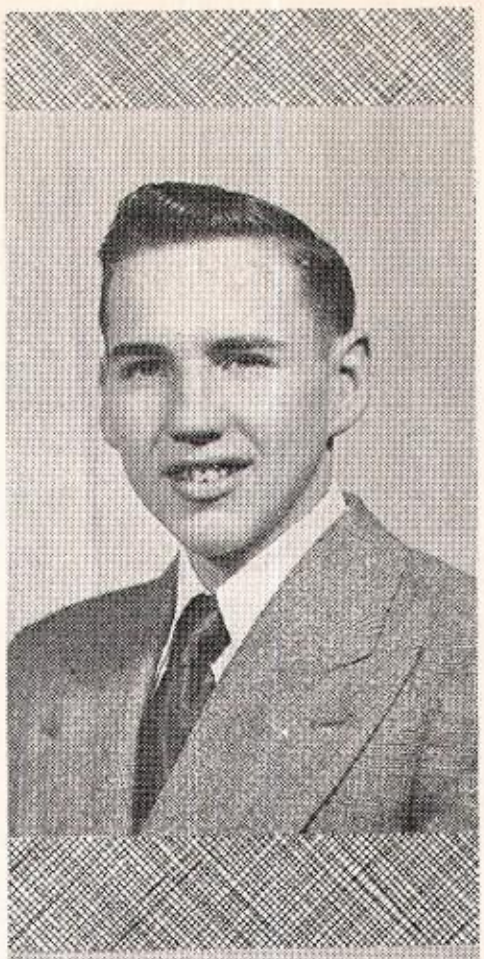
SENIORS



GEORGE H. SMITH
"Hank"

Pres. 1, 2; Band 1, 2, 3, 4; Orch. 4; Pep Band 3, 4; Basketball 1, 2; Soccer 1; Mgr. of Basketball 3, 4; Jr. Play; Sr. Play; Loud-speaker Staff.

Did you hear that roar of laughter from Room 43? George just let out one of his many wisecracks. He not only has a fine sense of humor but also a very high scholastic standing.



LAWRENCE SPENCER

Basketball 1; Ag Basketball 1, 2; Soccer 3, 4.

Lawrence is our active member of the F. F. A. If you are looking for a smooth dancer, girls, call on Lawrence. Much to the disappointment of all of us, Lawrence left us after the first semester to enlist in the Air Force where he will continue his studies and receive his diploma.

MARILYN STEWART
"Pat"

F. H. A. 4; Librarian 3.

Pat is the quiet girl of the class and is well liked by all. Pat likes to have fun but finds time to keep her marks high. We are mighty proud of you, Pat.

RUTH A. THOMAS
"Ruth Ann"

Chorus 1, 2, 3; Orch. 1, 2, 3; Jr. Play; Sr. Play; Librarian 1, 2, 4; Co. Chorus 3.

Need anything typed kids? Ruth Ann is the girl you want. Ruth will always be remembered for her performance in the Sr. Play. Good Luck with your nursing, Ruth.

MARYHELEN L.
WALTERS

F. H. A. 2, 3, 4; F. H. A. V. Pres. 4; Jr. Prom Committee.

Maryhelen is the short girl in our class. She is very active in Home Ec. Whenever there's a dance you're sure to find her there. There is no question of Maryhelen's future. Right Seniors?

SHIRLEY G. WALTERS
"Shirl"

Jr. Play; Sr. Play; F. H. A. 2, 3, 4; F. H. A. Pres. 4; Jr. Prom Committee; Librarian 4.

Looking for someone with a good sense of humor? Shirley is the one you want. She is very actice in Home Ec, and is very good F. H. A. Pres. As you all know, Shirley has her future all planned.

SENIORS

VESTA DARLENE WARBURTON

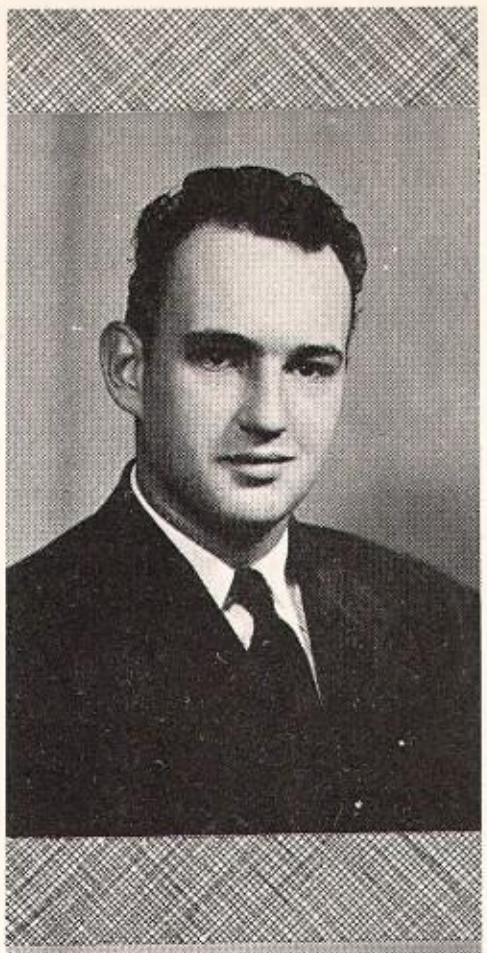
Orch. 1, 2, 3, 4; Co. Orch. 1, 2; Dist. Orch. 1, 2; Chorus 1, 4; F. H. A. 2, 3, 4; F. H. A. Officer 4.

Wham! Bang! Here comes Darlene with a minute before the final bell. Darlene is very quiet. Her future is undecided, but she would like to fill it with music.



ROBERT B. WARREN
"Bob"

Chorus 1, 2; Jr. Prom Committee.

Want to hear a good joke? Go see, Bob; he always has a good one ready. We'll always remember Bob and gum chewing in Soc. Prob. class. Poor Mrs. Lugg!

JOREEN C. WEST
"Joe"

Band 1, 2, 3, 4; Orch. 2, 3, 4; Glee Club 1, 2, 3; Dist. Orch. 3, 4; F. H. A. Song Leader 3, 4; Co. Chorus 3.

Joreen is our only red; although she doesn't have the temper to go with it, as her classmates well know. She is another of our active Home Ec. students. Joreen will always appreciate a good joke. How about it, Bob?

LOIS JEAN WYNKOOP
"Skip"

Librarian 1, 2, 3, 4; Chorus 1, 2, 3; Co. Chorus 3; Jr. Play; Sr. Play; Yearbook Staff.

Lois is the business girl of our class. You'll always see her going around with a studious look on her face. If ever you need any advice, kids, see Lois.

COMMERCIAL

THESE pictures, taken in the old commercial room, portray the room as it was, small and cluttered.

Bright paint and a new room welcomed the students, came the new year. It was complete with typewriters in the back of the room and desks for bookkeeping students in the front.

Typing leads in the popularity of the courses at present, with this year's typing class the largest yet. Many Seniors, who do not take other commercial courses, select typing as an elective as it will be valuable to them in their college work.

The Typing I and II classes are the largest they have been in the last five years.

In previous years there has been two sections of Typing I, but this year, due to the many students realizing the value of typing and wishing to take it, another section has been added.

All second year typing students learn how to operate the Mimeograph Duplicator. Everyone has the experience of typing a stencil and running it off on the machine.

The mimeoscope and stylus are used, too, to put drawings or lettering on the stencil.

DRIVER TRAINING

L. R. SCHULTZ, president of the Schultz Motor Company, local Ford Mercury and Lincoln dealer, has presented Elkland High School with a new Ford sedan equipped with driver training dual controls. In making the presentation Mr. Schultz said that the program, here and in the 400 other Pennsylvania schools was paying the highest possible dividends--the lives of human beings.

The Ford presented this year is the second given by the Schultz Company during the three year period that W. W. Whalen has taught the driver training course locally. Last year the dual control car was a Chevrolet, presented by Frank's Chevrolet of Elkland.

Boys and girls without driver training are getting into three times as many accidents as the ones who have taken the course and arrests for violations of non-trained drivers are five times greater. These figures come from the State Highway Saftey Council which has just completed a study of 3000 operators for 16 to 18 years of age.

All students are given a field of vision test.

Field of vision is the distance you can see to either side, while looking straight ahead. This is an asset to good driving.

The test is usually given the first few weeks of the course.

With the use of a midget car, Mr. Whalen is demonstrating the proper way to make a complete turn.

INDUSTRIAL ARTS

AGAIN the Industrial Arts course offers opportunities for pupils to acquire skills which will be useful to boys in future life.

This is the fourth year of Industrial Arts in Elkland Joint School.

Under the direction of Mr. William Whalen many useful and interesting projects have been completed by the boys of the seventh, eight, and ninth grades.

This year a new interest has been added to the course by the fact that a new home has been provided for Mr. Whalen and his boys. On January 12, 1953 the Industrial Arts department moved to a section of new building. We wish them the best of luck in their new surroundings.

The Funny Brats

BY JAY TOBIAS

When two brats get togetner, something drastic usually results. When Harriet and Dick Gresham decide to get rid of their dictating brother, Tom, and keep their mother from marrying the "Whale of a McWhorter, Whaley, matters really get tangled.

Dick and Harriet decide to order a rich wife from a matrimonial agency for Tom. She turns out to be a dizzy blond named Gwynette Gadwood, who is determined to get a husband one way or another. Of course this interferes with Tom's real true love and fiance, Lauralee Lynde.

Watkins as
Whaley McWhorter

The "brats" also decide to make Mr. McWhorter as miserable as possible so he will refuse to marry their mother, Sylvia. The brats use various methods, and finally end up by having him practically killed by Mangus as "Boogerface" Boggs, a professional wrestler. He thought he was beating up Tom, because Tom had supposedly stolen his girl, Aurora Pike, the Greshams' maid, played by Ruth Thomas. This was some more work of the "brats."

Look! Almost a whole carrot. Well at least a half.

A little Sunday school wouldn't hurt you, brother.

Who's being murdered in cold blood?

SPOOKY TAVERN

BY JAY TOBIAS

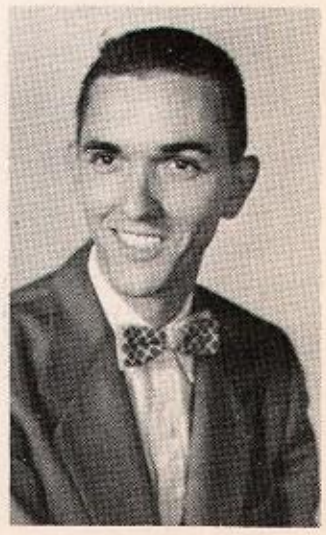
Ghost: "He thinks he's got him."

SOFTLY and eerily Pat Avery played the funeral march. The curtain opened on a darkened auditorium and a silent, entranced audience; as the thunder and the rain was heard from off-stage and the lightening flashed ominously. A man sat by the table apparently asleep and then--slowly out of the fireplace, glowing and deathly white, came a ghostly sight holding a hatchet. It advanced upon the sleeping man, held the hatchet as if to strike the man down when suddenly, he leaped from the chair, grappled with the ghost and wrenched the hatchet from her hand. She ran, terrified toward the side door as he madly chased her. She screamed in terror as he caught her just inside the door and murdered her.

So began, by popular opinion, one of the most thrilling ghost plays ever presented by Elkland High School Students.

The outstanding characters of this play, chosen because of their wonderful performances, were Bedelia the negro servant, (Shirley Walters) Willie Worgle, the stuttering freshman, (Edward Eckman) and Lucy Hacker (Loretta Belletto). The two newcomers to the stage this year were Donald Russell in the role of Blackie, a gangster, and William Schoonover as Farone, the big shot of the underworld.

OUR DIRECTOR - CLARENCE M. HECK



During the last three years through the untiring efforts of Mr. Heck much has been done to increase the interest in dramatics. Each year he presents two full length productions complete in every detail of costume, makeup, and scenery.

Everyone enjoys these plays as Mr. Heck seems to have the ability to bring out all the hidden talents of his student actors.

Among the chapter's activities were County dairy judging tractor driving, mechanics contests. Our Varsity basketball team was busy trying to defend their championship title, which they gained last year. Another highlight of the program was the Parent and Son banquet. To raise money to keep our treasury flowing there were; seed sales, magazine sales and planting trees. From the eleventh to the fourteenth of January, you could have seen Elkland F.F.A. jackets mingling with the crowd at the Farm Show at Harrisburg. Elkland was represented by twelve of our boys. We will also have three delegates at State F.F.A. Week activities at Penn State in June.

GLEE CLUB

GIRLS' CHORUS

QUARTET

THIS year the Chorus is divided into two different groups a girls' chorus and a mixed glee club. The girls' chorus is doing three part-work; the mixed glee club is doing four-part harmony. Each organization rehearses one period each a week. The chorus will be heard in the Annual Spring Concert. We expect to organize some smaller harmony groups from the glee club. Among these is a new organization, a male quartet, whose harmony we expect to hear in the future.

At the opening of the fall term the band played for the Halloween parade and presented a concert for the Teachers Institute. On January 28, they entertained the public at the official opening of the addition to the school. Concluding this school term, the band presented its annual spring concert.

BASKETBALL - VARSITY

G. Watkins, B. Hendershot, P. Cevette, K. Blake, R. Nelson, B. Schoonover, D. Russell, G. Enderle, Coach Milliron

THIS year we are justly proud of Milliron's boys. Even though there was no league competition, the boys came through in Championship style. They have a season record of 17 wins and only 3 losses. The losses were to 3 out of the state teams. No team has defeated them twice. The record in the county remains all wins and no losses. By playing excellent basketball, Elkland entered the Pennsylvania State Class C playoffs.

Although some of the players are lost through graduation, next season still promises to be interesting.

The height of the squad belongs to Gary Enderle who started the games at center. The co-captains and forwards, Pat Cevette and Don Russell, were the high scorers of the season. Jock Nelson, Bill Schoonover, Lee Farmelo, and Keith Blake rotated at guard position. In the last few games, Keith Blake with his accurate scoring helped Elkland take the close games. Durk Sherman, Gene Watkins, and Bill Hendershot were members of the victorious squad.

Hats off to our boys with their victories and good sportsmanship!

TIOGA COUNTY SOCCER CHAMPIONS

THIS year, under the excellent coaching of Coach Milliron, the Elkland High School Soccer team again won the Tioga County Soccer League Championship. Led by Co-Captains Bill Hendershot and Lee Button, the Orange and Black team finished the season with 9 wins 1 loss and 1 tie. Brilliant throughout the season, was the sparkling defensive play of Goalie Jocko Nelson, who saved many a game with his fine defensive game at the goal.

Elkland opened the '52 season in great style as they won seven straight games before being tied by a strong Padua team of Watkins Glen. Covington then handed the Elkland team its first and only defeat. The last two games found the Milliron team victors as they finished the season with the best record made by any soccer team in Elkland.

The following boys earned their soccer letters this season: B. Hendershot, L. Button, D. Russell, L. Spencer, G. Davenport, K. Blake, D. Sherman, J. Enderle, D. Potter, R. Sahrle, R. Nelson, J. Davis, J. Hendershot, W. Healy, G. Hackett.
